

The Strength of Experience

About Us

GVS - the vision company dedicated to America's Unions.

One of the largest administrators of vision care in the Northeast. GVS has built a foundation in labor and today we serve over 3 million people each year.

Providing quality vision care to the Labor and the New York Market for over 60 years.

Mission

Our singular focus is providing exceptional value, high quality care for optimal patient outcomes.

Core Value

GVS takes ownership in everything we do. We are an advocate to our clients, network providers, business partners and union members in order to find continued ways of shared success.
